HAIG'S ARMY MUST SHOW GOOD FAITH BEFORE AN ARMISTICE WILL EVEN BE CONSIDERED

Germany Must Show Good Faith Before an Armistice Will Even be Considered

BY ARTHUR SEARS HENNING.
(EXCLUSIVE DISPATCH.)

WASHINGTON, Oct. 22.—President Wilson will not "yield an inch" to Germany in response to the latest Teutonic peace note, according to officials who discuss the question with the Chief Executive today.

It will make it clear that Germany must demonstrate her good faith by her conduct henceforth if she desires an armistice, and a peaceful evacuation of invaded territories by the Teutonic army must be on terms laid down by Marshal Foch and the other advisers of the nations fighting the Central Powers.

It is asserted, has this programme in mind at all times, and directly his diplomacy may seem now and then to be aimed at obtaining the general purpose. The President is endeavoring to bring about a peaceful evacuation of invaded territories by the Teutonic army must be on terms laid down by Marshal Foch and the other advisers of the nations fighting the Central Powers.

British Approaching River Where Huns are Expected to Make Stand.

Belgians Capture Bridgehead and Prisoners as They Cross the Canal.

BY ATLANTIC CABLE AND A. P. LONDON, Oct. 22.—Several counter-attacks by the Germans to retake the bridgehead established by the British yesterday east of the Lys River failed with severe losses to the Germans, says an official statement issued tonight on British operations in Flanders.

BRITISH HEADQUARTERS IN BELGIUM, Oct. 22.—(Reuter's.) Strong French forces attacked this morning on the center of the Allied front in Belgium and are reported to be making excellent progress in the direction of Ghent.

WITH THE ALLIED ARMIES IN BELGIUM, Oct. 22.—The French have crossed the Lys River at several points between Gramme and Oesleghem, southwest of Ghent, overrunning opposition. They are now firmly established east of the river, making progress in effecting crossings at other points.

The enemy appears to be in strength in the angle south of Valenciennes formed by the Scheldt and Escaut rivers, probably indicating that he has a defensive line south of the Scheldt on which he is going to attempt to stand for a while.

West of Tournai the British have reached the village of Orisy. Tournai rapidly is becoming the peak of the salient being driven in toward the Scheldt by the British.

WITH THE ALLIED ARMIES IN BELGIUM, Oct. 22.—The general situation in Belgium today seemed to be that on most of the front the Allied armies had reached a period of pause which is inevitable when rapid advances have been made.

On the front of both the Third and Fourth armies high velocity guns and other artillery are active, and the situation is unquiet. The German army is expected to be expected, it is said, as the withdrawal project is carried out. The fact that the Allied armies are hampered by extending communication lines gives opportunity for such halts.

RED TERROR SPREADS. BY ATLANTIC CABLE AND A. P. STOCKHOLM, Monday, Oct. 21.—The clash of authority between the counter-revolutionary commissions of Russia and the central and local Soviet organizations has become so serious as to show that it is the predominant menace to the dictatorship of the proletariat, according to information brought here by travelers.

M. Peters, head of the commission to suppress counter-revolutions, has become more powerful than the national councils of commissaries. Evgeny Nikolai, the Bolshevik Premier, was unable to save men he did not wish executed by the Peters commission.

The red terror, spread from Moscow, has become a monster, which Lenin and other middle members of the central government cannot control.

Haig's Army in Suburbs of Famous French City in Drive Toward Scheldt

(BY ATLANTIC CABLE AND A. P.)

LONDON, Oct. 22.—British troops have entered the western suburbs of Valenciennes, Field Marshal Haig reports from headquarters tonight. The text of the statement reads:

BATTLE SUMMARY

(Resume by Associated Press.)

The fall of Valenciennes to Field Marshal Haig's forces is imminent. Despite the desperate resistance of the Germans the British have entered the city on the west while to the north they have made a deep thrust into the great Raimies Forest and are moving in the direction of Conde near the angle of the Scheldt.

Valenciennes has been in uninterrupted French possession from 1877 until the onrush of the Germans early in the present war led them many miles into France. It is now about to be added to the rapidly growing list of towns, the redemption of which has brought rejoicing to the French people.

Although the progress of the Allied forces in Belgium and French Flanders has slowed up, the progress of the British has been steady. The progress of the British has been steady. The progress of the British has been steady.

"We have entered the western suburbs of Valenciennes and, north of that town, have penetrated deeply into the Forest de Raimies towards the angle of the Scheldt at Conde."

"Progress was made east of St. Amand and we reached the Scheldt at Pollain and Bruyelles, south of Tournai. Both of the places are in our possession."

"North of Tournai we have driven the enemy from the village of Froymont and progressed beyond it towards the Scheldt. Further north, having taken place for the crossing of the Scheldt at Pont-a-Chin."

PARIS, Oct. 22.—French troops have captured Chalandry and Grandup, north of Laon, according to the War Office announcement tonight. The statement says:

"On the Serre front, we again forced the enemy to retreat notwithstanding an obstinate defense by his machine guns. We took Chalandry and Grandup. Our line runs along the Serre as far as Mortiers, passing through the outskirts of Froymont, Chalandry and follows further south the line of the Canal de Rusa."

This morning the Germans twice renewed their attack east of Tournai, but were everywhere repulsed. Czech-Slovak troops, engaged in liaison with our force, recaptured the village of Tournai, but were everywhere repulsed.

"In Alsace a strong enemy detachment attempted to reach one of our centers of resistance, north of Thann, but was driven back and repulsed."

"On October 21, along the west front and in Flanders our observation balloons carried out important work of reconnaissance and surveillance behind the enemy front."

Two enemy planes were brought down and a balloon was burst. During the early part of the night our bombing planes dropped 18,000 kilograms of projectiles on important railway junctions, and in particular on the stations at Longueval, Stenay, Hirson and Rosoy."

WHERE SLEEP DOES NOT REFRESH YOU

People who are tired out, who arise in the morning feeling that sleep has not refreshed them, are in a state of nervous exhaustion that borders on the condition that doctors call neurasthenia. The causes are varied. The symptoms are over-sensitiveness, irritability, a disposition to worry over trifles, headache, possibly nausea.

"My nervous system was weakened," said Mr. Charles Crowley of 84 Richard street, West Lynn, Mass. "My limbs were shaky and the muscles sore. At times it seemed my limbs would give out. The muscles of my shoulders were painful and sore. I had severe headaches. My rest seemed to do me no good and I was tired in the morning. There was a trembling sensation when I walked."

"I learned of Dr. Williams' Pink Pills through a newspaper and after finding the first box of pills helped me I took two more boxes. Now I am feeling good, the nervous twitches are gone and I sleep and eat well."

The treatment in cases like this is one of building up the nervous system, requiring a non-alcoholic tonic. As the nerves get their nourishment from the blood the treatment must be directed toward building up the blood. Dr. Williams' Pink Pills act directly on the blood and with proper regulation of the diet have proved of the greatest benefit in many cases of neurasthenia.

Dr. Williams' Pink Pills are sold by druggists everywhere or will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y. Write today for our blood and nerve.

Girls! Make beauty lotion at home for few cents

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quart of the best bleaching and skin whitening lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how tan, redness, sallowness, sunburn and windburn disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless.

DEATHBED REPENTANCE, SAYS THOMAS OF NOTE.

(EXCLUSIVE DISPATCH) WASHINGTON, Oct. 22.—The German reply is viewed by leaders in Congress generally as another effort to extend the peace parley, although in several instances Senators regarded it as meeting the President's demands.

Senator Thomas of Colorado, Democrat, declared the reply "unsatisfactory."

"The German reply sounds very much to me like a death-bed repentance, which I do not believe in," he said. "I think the reply is designed to secure a general plan of negotiation by which Germany hopes either to suspend the energies of the Allies, or to gain time to rehabilitate their own forces. If there is a lull, Germany hopes, no doubt, to be able to strike back at the Allies."

"In my judgment, the President ought either to make a brief reply or ignore the note altogether."

Here are the views of some other leading Senators:

Senator Borah (Rep., Idaho), a member of the Foreign Relations Committee: "So far as the change of government is concerned, I look on it as a sham. As to the disposition of the armistice, it seems to me to be intentionally involved and complicated in order to draw out further negotiations and discussions. Now would be a good time to stop all negotiations."

Senator McCumber (Rep., North Dakota), a member of the Foreign Relations Committee: "I am not very much impressed with the German government's answer. There is nothing we can do, in my opinion, until she is ready to surrender, admit the wrong she has done and agree to reparations."

Senator Harding (Rep., Ohio): "If this note states the actual truth of the turn of governmental affairs in Germany, it meets all the requirements as far as creation of a responsible government is concerned, and with which we are to deal. The note contains no new suggestions which we can accept regarding an armistice."

Senator Overman (Dem., North Carolina): "As I read the note, it looks as if Germany had surrendered to our terms. I am not at all sure, however, that it does anything to end the war."

Senator Curtis (Rep., Kansas): "I think our demand should be for the unconditional surrender of the German army and the United States of the German army together with control of her navy and air force, and of her munition factories."

ASK WILLARD TO AID THEM. SERVICES WANTED BY UNITED WAR WORKERS. BOXERS OF COUNTRY INVITED TO HELP OUT. CHAMPIONS ARE ENLISTING TO SUELL FUND.

NEW YORK, Oct. 22.—Jesse Willard, heavyweight champion of the world, was requested by telegraph today to give his pugilistic services in the nation-wide campaign to raise \$170,000,000 for the various welfare organizations engaged in furnishing comfort to the American forces. The telegram, which was addressed to Willard at his home at Lawrence, Kan., does not mention the name of a prospective opponent. It simply asks him to volunteer his services, as many other boxing champions are doing. In part, the telegram is as follows:

"The Boxing Committee of the United War Work campaign is requesting boxers and boxing promoters of the United States to do their bit. There will be boxing in every city of America during the campaign, and we are asking you to volunteer your services. Every one has signified his willingness, and we are awaiting an answer from you to assure the complete success and representation of American boxers. At this crisis in world affairs, the champions in all branches of athletics are doing their utmost. We feel sure that you will help."

QUANAH (Tex.) Oct. 22.—"I shall be very glad to do everything in my power to make the campaign a great success," Jesse Willard said tonight when shown an Associated Press dispatch quoting a New York telegram requesting the heavyweight champion to give his pugilistic services in a campaign to raise funds for army welfare organizations. Being without details of the plan, he said he could make no further statement.

Willard is in Quanah looking after his oil interests in this section. He had not received the New York telegram late tonight.

SPORTSMAN STRONG FOR MUDHEN DIET. (LOCAL CORRESPONDENCE) REDLANDS, Oct. 22.—Sportmen who throw away the bodies of mudhens after shooting them are not 100 per cent. Americans at this time when meat is so valuable, according to the idea of A. T. Muirhead, local Santa Fe employee and confirmed sportsman and angler. He says the mudhens are even better food than ducks. Muirhead gives this recipe for preparing the meat of the mudhen for the table: At the time of killing draw and wash the bird; then, on reaching home or camp, skin and eviscerate the bird, and wash the result will be one of the finest meat dishes obtainable.

Millions of mudhens now rendezvous on California lakes, and their use as food would materially increase the supply. Hunters now kill the birds for mere sport.

LIBERTY FAIR TENNIS STILL UP IN AIR. The Liberty Fair tennis tournament will probably be postponed for another week or so. It is said, however, that it may start next Wednesday. A few new entries have come in since the last meeting, and the men's singles, Donald McCalla in the boys' singles and Fred Fowler and Joseph in the boys' singles.

SENATE ALTERS
WAR SURTAXES.Committee Lowers Rates on
Incomes Under \$100,000.Those Exceeding Million As-
sessed at 65 Per Cent.Adopt Compromise Plan on
War and Excess Profits.

[BY A. F. NIGHT WIRE.]

WASHINGTON, Oct. 22.—Surtax
adopted by the House on individual
net incomes below \$100,000 would
be lowered, and those on incomes
in excess of that amount increased, un-
der amendments to the war revenue
bill adopted today by the Senate
Finance Committee.A tax of 1 per cent. would be
levied on incomes between \$5000
and \$6000, with an additional 1 per
cent. tax for each \$2000 in excess
of that amount up to \$100,000, while
the rate would be 52 per cent. A
graduated scale is then fixed under
which a surtax of 65 per cent. would
be levied on net incomes exceeding
\$1,000,000.In revising the war excess profits
tax feature the committee struck
out the alternative system of taxing
war and excess profits and adopted
a compromise plan designed to raise
somewhat less than the \$3,200,000,
900 estimated from the House provisions.Under the new provision based on
an arbitrary mathematical formula,
the general rate of 50 per cent. on
war profits is retained, but the rates
on excess profits reduced, a change
which Secretary McAdoo has con-
stantly urged.

NEW TAX SYSTEM.

Adopting the same credits in com-
puting taxes as provided in the
House bill, the new tax system of
the committee provides:That the tax shall be the sum
of the amounts computed under the
following brackets:(1.) Thirty per cent. of the
amount of the net income in excess
of the excess profits credit (\$3000)
and 3 per cent. of invested capital,
and not in excess of 20 per cent.
of the invested capital.(2.) Sixty per cent. of the
amount of the net income in excess
of 20 per cent. of the invested capital.(3.) Eighty per cent. of the
amount of the net income (if any)
in excess of the sum of (a), the
war profits credit, and (b), one and
one-fourth times the tax computed
under the first and second brackets.In any case where the amount
of the excess profits credit is not
allowed under the first bracket, the
war profits credit shall be de-
ducted from the amount of the sec-
ond bracket.These rates were adopted in lieu
of the House provisions levying 50
per cent. on all war profits in ex-
cess of \$3000 and 10 per cent. on
invested capital, and rates varying
from 35 to 70 per cent. on excess
profits.

INSTALLMENT PAYMENT.

The committee also adopted a
new plan of installment payment of
taxes, under which one-third of
taxes imposed would be payable as
installments upon filing of returns,
another third on the fifteenth day
of the second month thereafter, and
the final third on the fifteenth day
of the fourth month.Interest at one-half of 1 per cent.
would be imposed on extensions of
time and a limitation period of five
years fixed for refunds.In change in income surtaxes
was the second decided revision
made in the House draft of the bill
at today's session, the committee
previously having voted to eliminate
the alternative system of taxing war
and excess profits in favor of a gen-
eral rate of 50 per cent. on war profits
and a reduced tax on excess
profits.

MORE UNIFORM RATE.

The revision of income surtaxes,
members of the committee said, will
provide a more uniform rate, while
the reduction in revenue will amount
to less than \$25,000,000. As revised
by the Senate committee, incomes of
between \$100,000 and \$200,000 would
be taxed 52 per cent. From \$200,000
to \$300,000 the rate would be 60 per
cent.; \$300,000 to \$500,000, 65 per
cent.; \$500,000 to \$1,000,000, 64 per
cent.; and above \$1,000,000, 65 per
cent. Compared to the House rate,
this would be an increase of 8 per
cent. for incomes between \$100,000
and \$200,000; 5 per cent. for those
between \$200,000 and \$300,000; 9
per cent. for those between \$300,000
and \$500,000; and 6 per cent. from
that amount to \$1,000,000. As revised
by the House bill, the latter amount
of the \$1,045,000,000 which the Sen-
ate committee's amendment is ex-
pected to yield, it was estimated
\$700,045,000 would be paid by per-
sons having incomes exceeding \$100,
000.In order to protect small corpora-
tions under the war-profits schedule,
the committee late today inserted an
amendment providing that in no case
shall the tax be more than 35 per
cent. of the amount of the net in-
come in excess of \$3000 and not in
excess of \$20,000 plus 80 per cent.
per cent. of the amount of the net in-
come in excess of \$20,000. This amend-
ment, Senators explained, will prevent the
taxes of small corporations running
up to the 50 per cent. limit.PERSHING LAUDS WORK
OF AMERICAN FARMERS

[BY A. F. DAY WIRE.]

NEW YORK, Oct. 22.—Gen. Per-
shing has sent a letter of apprecia-
tion to the farmers of America, who,
he says, have not only supplied their
quota of fighting men and bought
largely of the Liberty Bonds, but
have increased crops both last year
and this more than 1,000,000,000
bushels above normal production.The letter, addressed to Carl Vroom-
an, assistant Secretary of Agriculture,
and made public here by the
Committee on Public Information, says:"Food is of vital necessity, and
from the day of our entry into the
war America's army of food pro-
ducers has rendered invaluable
service to the Allied cause by sup-
porting the soldiers at the front
through their devoted and splendidly
successful work in the fields and fur-
rows at home."

Seven Years for Raincoat Fraud.

NEW YORK, Oct. 22.—Felix Gaud-
ler, a contract promoter, convicted
of conspiracy to defraud the govern-
ment in the manufacture of army
raincoats, was sentenced to seven
years' imprisonment by the Federal
court here today.He was admitted using his former office
to help Gaudler, was given a two-
year term.MILLIONS USE IT

TO FACE COURT-MARTIAL.

Long Term in Prison Likely to be Lot of Robert Livingston.

(Continued from First Page.)

understood that he will be taken to Fort MacArthur today. Lieut. Calkins is Judge Advocate of the board at Fort MacArthur authorized to try offenders against the military establishment.

Robert Samorran Livingston, in his questionnaire, gave his place of birth as San Jose, Costa Rica, on March 3, 1890, and declared that he was not a citizen of the United States. His parents set forth that record of Robert's birth in San Jose were on file in San Francisco. An investigation produced the fact that Robert was born on an American vessel in American waters; that he had registered in Pasadena, giving his place of birth as California, and that he had voted three times un-

der his registration at Pasadena. Assistant United States District Attorney Lawson said yesterday that there is an abundance of testimony, backed by a confession, made before the American Consul at Cristobal last August, to convict Mrs. Matilda Livingston, mother of Robert and Ben Livingston, on the charge of aiding her sons to evade the draft. Both of her sons said yesterday that they had not seen their mother for ten days before they started West in the custody of an officer.

Immediately after the hearing of Ben Livingston before Draft Board No. 6 this morning, this board will take up the cases of twelve other alleged slackers.

TO SUPPLY WAR INDUSTRIES

Steps were taken yesterday by the local Federal Community Labor Board, consisting of A. C. Denman, representing the employers; J. B. Dale, representing the employees, and Emil J. Bernatche, examiner in charge of the United States employment service, to secure from Los Angeles and contiguous territory 2000 unskilled laborers for employment in the shipyards and munitions factories of California. The board requests that all men who are not engaged in work essential to the carrying on of the war apply as soon as possible at the men's division of the United States employment service, Spring and Court streets.

"The work in many of our great shipyards and in some of our con-

tract shops is being seriously retarded by lack of unskilled labor," Mr. Bernatche said yesterday. "In this time of the nation's needs, it is obviously wrong to have able-bodied men selling candy, cigars and like articles; in other words, to be doing any sort of work which might, with reasonable effort on the part of employers, be entrusted to women. During the war it is within the province of each community labor board to list the nonwar industries in its community, which will first be called upon to contribute to war work. This does not mean that such industries will be compelled to close up or to discharge their male employees at once, but that, with as much fairness as is possible, and with as much speed as may be necessary to meet the demands of the national emergency, they will

Long-Evaded Draft Seizes Its Prey at Last.

Robert Livingston, Famous Alleged Draft Slacker, Before Local Board No. 12 Yesterday.

Left to right: Robert Livingston; Mrs. W. J. Huston, stenographer; Special Agent Webb of the Department of Justice; Ernest R. Werdin and George W. Prince, members of Board No. 12; Dr. G. A. Scroggs, examining physician. Standing: Deputy United States Marshal Dolph Bassett; J. Edwin Falk, clerk, and Ralph Bandini, chief clerk.

release their male workers. Employers will be asked to drop from their pay rolls men who are employed in nonessential work, or work that could be done by women. However, it is expected that such action will not be necessary, and that the men themselves will voluntarily make the change.

Those who apply to the labor board for employment must be white males, in good health. However, no one is desired who has been placed in any division of class one of the draft, nor will anyone be accepted between the ages of 18 and 35 years who has not a valid claim for exemption."

YEOMANETTES ARE TRAINING CAMP NEED.

EXAMINATIONS OF APPLICANTS WILL BE HELD HERE WITHIN WEEK.

Under an order received from the commandant of the Twelfth Naval District, some of the yeomen at the Naval Reserve Training Camp will be replaced by "Yeomanettes," it was stated yesterday. This will be the first time since the opening of the training camp that women have been employed.

It is expected that competitive examinations will be held within a week at the training camp in order to obtain an eligible list. Young women who desire to apply for this position should make written application to the executive officer, stating their age, nationality, education, business experience and qualifications, and such applications should be accompanied by letters of recommendation.

Applicants will be examined in shorthand, typewriting, punctuation and neatness of work. None will be considered who are not first-class stenographers and typists.

Other things being equal, preference will be given to those girls who have their homes in San Pedro, and an allowance will be made for their quarters.

WIDOW SEEKS ESTATE.

Rich British Airplane Manufacturer Left Fortune Here and in England.

A petition for letters of administration was yesterday filed for probate by Flora Mayer, widow of the late August Mayer, said to be one of the largest manufacturers of airplanes and accessories in England, who died in London, October 5. He left an estate in this country consisting of stocks, bonds and other securities valued at \$45,000, in addition to a large fortune in England, according to Mrs. Mayer's attorney, Joseph Hargrove. Mrs. Mayer has been living in Los Angeles for the last few years. Besides the widow the other heirs named are three children. No will has been found, according to Mrs. Mayer.

Frank Wilson, who for eight years has been the night watchman of the Chamber of Commerce Building, died last Saturday of pneumonia. He will be buried this afternoon at Calvary cemetery, following funeral services at the chapel of Godeau-Martini. Wilson was 42 years old. He leaves a wife and four children.

MEANS MORE EXHIBITS.

Postpone Opening of California International Live Stock Show Because of Liberty Fair.

So as not to conflict with the Liberty Fair here, the California International Live Stock Show, which was scheduled to open in San Francisco the coming week, has been postponed until November 15, according to a telegram received here yesterday by Director-General Pridham of the Southland show from Edgar J. Duppe, manager of the Liberty Fair attraction.

That the postponement will result in added live stock exhibits for the Liberty Fair was the view expressed by officials of the Los Angeles show.

CONFESSED BURGLARS TO TAKE DRUG CURE.

Juber Balda, a former prize-fighter; Ralph R. Martin and Mrs. Frances Martin pleaded guilty yesterday to charges of burglary before Superior Judge Willis. In view of the fact that all the defendants are said to be narcotic fiends, sentence was deferred and on the recommendation of Public Defender Aguilar the trial will probably be sent to the psychopathic ward of a State Hospital for the drug cure.

YOUNG AUTO BANDITS WILL BE SENTENCED.

Arthur and Frank Hora, the youthful auto bandits, who were arrested by Deputy Sheriff Modie and Cleveland after a gun battle on the El Monte road, during which the father of the boys was killed by Deputy Sheriff Cleveland, pleaded guilty yesterday to two charges of robbery in Superior Judge Willis's court. Sentence will be pronounced next Friday morning.

SUIT SETTLED.
Attorneys announced yesterday that the \$12,500 damage action of Thomas G. McCain against Samuel Levine for alleged malicious prosecution had been settled, and the action was dismissed. The case had been set for trial in Judge McCormick's court for yesterday. Mr. McCain had been charged with the theft of seltzer bottles, but was discharged in the Police Court.

HELD TO ANSWER.

Charged with assault to commit murder Louis Midrano, an employee of the Cudahy Packing Company, was yesterday held to answer charges in the Superior Court under bonds of \$1500, at his preliminary hearing before Justice Brown. According to the complaint Midrano wielded a knife on M. Sawaya, during an argument over the war, which ended in the loss of Sawaya's left eye.

CUSTODIAN OF MILLIONS.

Impounded Oil Funds Put in Charge of Clerk of the District Court.

Charles N. Williams, clerk of the United States District Court, yesterday received the following telegram from the United States District Court in San Francisco:

"It has been ordered that no money be drawn by Howard M. Payne, receiver from impounded oil funds, except by stipulation of counsel in respective cases, and that no money be paid out by any depository bank except upon such stipulation, and that all money to be paid to the receiver shall be paid by certified check to the clerk of said court at Los Angeles, this to apply to all funds, including bonds."

Under this order Clerk Williams will be the custodian of several million dollars, pending a decision in the case of Mr. Payne, who is charged with using his office as receiver of oil funds to secure large personal bank credits.

SUPERVISOR IS SUED FOR LIBEL.

Hamilton Made Defendant in Action for Damages.

Statement of Alleged Bribe Offer is Basis.

Paving Company Head Asks Fifty Thousand.

The promised suit of E. R. Werdin, president of the Los Angeles Paving Company, against John J. Hamilton, chairman of the Board of Supervisors, for alleged libel, materialized yesterday. The complaint, prepared by Attorneys Guefnay and Brown, asks an aggregate of \$50,000 damages for a statement made by Mr. Hamilton and published in an afternoon newspaper on September 5 charging Mr. Werdin with making a corrupt proposal to him. This alleged proposal, which was subsequently laid before the grand jury by Mr. Hamilton, was said to be in the interest of certain deputy sheriffs whose salaries were sought to be increased. The statement purported to be, in effect, that Mr. Werdin approached Mr. Hamilton while he was sitting on the Board of Equalization, and representing himself to be a successful manager of candidates for office, suggested that if Mr. Hamilton would secure the increases in salaries for the deputies, he, Werdin, "would guarantee Hamilton's election" to succeed himself as a member of the Board of Supervisors in November.

In the newspaper statement, Mr. Hamilton was made to say that a "corrupt proposal has just been submitted to me as a member of the Board of Supervisors." This proposal was given, linking the name of Mr. Werdin as the alleged attempted briber.

Mr. Werdin was a witness before the grand jury and denied the charge. The grand jury dropped the case, as it was Mr. Hamilton's unsupported word against the word of Mr. Werdin.

LICENSE ORDINANCE CHANGES PROPOSED.

COUNCIL INSTRUCTS CITY ATTORNEY TO DRAW UP MEASURE ACCORDINGLY.

Several proposed changes in the license ordinance were approved yesterday by the City Council, which instructed the City Attorney to prepare ordinances containing the required amendments.

While the license fee of \$25 a year for butchers was not changed, the ordinance will be altered so as to permit the meat dealers to pay their licenses semi-annually. Mr. Olsen made a strong fight for a reduction of the license fee, but failed to get any support.

Licenses on hair dressing, manicuring and massage parlors were changed as follows: Where there is not more than one person doing work in a single establishment, the fee will be \$1 a month and each additional employee shall pay \$1 a month, the fee to be paid quarterly.

The ordinance relating to detective agencies was changed to provide for a license of \$5 per quarter on each agency and \$1 per quarter for each man employed, based on the number of days work for the previous quarter.

For conducting the business of gun and candy vending machines a fee of \$50 a year will be exacted. Each barber shop shall pay \$6 a year and 50 cents a year for each additional barber chair over and above one.

The license for peddling fish was changed to \$2 a month from \$15 per quarter and the license for grocery stores will be \$10 a year.

The license on billiard tables will be \$1.50 per table for four tables and \$1 a month for each additional table.

TO CONCLUDE SESSION.

With the session of departments No. 1 and 2 today, the October term of the State Supreme Court in Los Angeles will conclude, seventy-four cases having been argued and submitted to the court during the ten-day session. This is an unusually long calendar. No decisions of importance were delivered during the October sitting. Several members of the court will spend short vacations in Los Angeles before returning to San Francisco.
